CONSENT TO COUPLES AND MARITAL TREATMENT

We hereby give our consent to participate in marital/couples treatment with Jonathan Sobin, Psy.D. Our discussion has included an explanation of Dr. Sobin's preliminary impressions, the type of treatment he is offering, and preliminary identification of initial treatment goals. We understand that we may accept this approach, or decline it and pursue alternative forms of intervention. Also, we understand that we may withdraw from treatment at any time.

We have access to the document entitled "Practice Information" on Dr. Sobin's website (tampamarriagerepair.com, under "Before Your Visit"), which includes general information about his practice, explanations of the limits on confidentiality, details of the cost of his services, and instructions for contacting Dr. Sobin and managing crises. Also, we have access there to his documents on privacy issues and a patient "Bill of Rights." We understand we can refer to that information at any time and ask Dr. Sobin any questions we may have.

Also, we agree that Dr. Sobin may issue APPOINTMENT REMINDERS to us via SMS messaging. These reminders will have no identifying information other than Dr. Sobin's name and of course our cell phone numbers.
